Mr. Saunders began his involvement in the gaming and hospitality industry as a manager in the management consulting group of Price Waterhouse & Co., (now PriceWaterhouseCoopers, LLC,) from 1976 to 1980, when he served as a consultant to gaming properties then opening in Atlantic City, New Jersey. He has been the Chairman of Shuffle Master Inc. since November 2010. He served as the Interim Non-Executive Chairman at Shuffle Master from April 2010 to November 1, 2010. Mr. Stone's influence was felt throughout the creation of the spectacular resort destination, from the grandest of plans to the smallest of details. His broad range of responsibilities and attention to detail led him to be the driving force behind The Venetian's Venezia tower - a \$275 million, 12-story "hotel within a hotel".
